

***Beginner
Technology Class***
*Sponsored by Virginia State
University's Small Farm
Outreach Program*

Technology changes faster than you can say technology! So instead of just giving up, and letting it pass you by, learn how to adapt with it. Learn the basic functions that will keep you updated and in touch with other generations. This class is a great introduction that will cover the basics of computers.

**October
11th, 12th, & 13th**

11:00am-4:00pm

**Eastside Community
Enhancement Center**
